

BELLE TERRE IMPORTS

Wine Tasting Event

Wow! What a remarkable event—we can't thank you enough for your attendance, input and comments. We hope you had as great a time as we did. Over 400 people attended the event, showcasing Martí Serdà and Masia d'Or Wines and Cavas from Penedès, Spain. Your comments were wonderful, and will help us determine the composition of our next order. As you know, we introduced just two reds, two whites and one cava on October 29. We will soon introduce other wines to the market for your enjoyment.

We would like to thank Alberto, Merino and Gustavo, who represented Martí Serdà from Spain; Lenny and Luis from *Costa de España* restaurant (who supplied the delicious Spanish foods); Rich for his wonderful music; and of course, the Port Jefferson Village Center and its staff for the use of that lovely facility.

Because of the success of this, our premiere event, we encourage you to look for our next wine tasting, where we hope to offer a different selection of Spanish wines.

Please begin looking for Martí Serdà and Masia d'Or Wines and Cavas at your local restaurants and fine liquor stores after December 1, 2009. Be sure to ask for Martí Serdà...and if they don't offer it, ask them to start! A list of fine restaurants and liquor stores offering Martí Serdà products will be posted on our website (www.belleterreimports.com) in the near future.

If you know of anyone who would like to be included in future mailings, or who would enjoy attending Belle Terre Imports (USA)'s future wine tasting events, please send us their contact information. You are also invited to send us the business card or e-mail address of your favorite restaurant, tavern or liquor retailer so we can provide them with an opportunity to offer Martí Serdà Wines and Cavas.

Again, thanks for helping make this event such a tremendous success.
